Bloomberg Connects Taber Museum launches new digital guide to enrich visits

In the fall of 2023, the Taber Museum launched a new, digital guide on Bloomberg Connects, the free arts and cultural app created by Bloomberg Philanthropies. The Bloomberg Connects app, available for download from Google Play or the App Store, makes the Taber Museum accessible for either onsite or offsite visits through photo, audio and video features offering insights into fine arts, Lycoming County history, the Shempp Model Train collection, and more!

The Museum joins more than 200 cultural institutions around the globe on the Bloomberg Connects app. The app platform is part of Bloomberg Philanthropies' longstanding commitment to supporting digital innovation in the arts. Bloomberg Connects makes it easy to access and engage with arts and culture from mobile devices when visiting in person, or anytime from anywhere.

With dynamic content exclusive to the Taber Museum, the app provides a range of features including video, audio, and text; expert commentary; and, way-finding maps. This provides a deeper, richer experience to our guests.

The Bloomberg Connects app is available for download from Google Play or the App Store.

# Words from our President...

Anyone else ready for Spring? We are gearing up for another GREAT season of outdoor Williamsport First Fridays (TM) We are excited to announce that UPMC will once again be the Primary Sponsor for our First Friday events! We will kick off the outdoor season by featuring UPMC'S Community Block Party as a part of our May event. We will also be featuring Gabe Stillman Band and The Cool Bus (which will be focusing on weaving and history of the area) The Cool Bus will be sponsored by Journey Bank.

We are excited to announce new and exciting committee(s) that have been added to our Lycoming Arts Family. **Storytellers** will bring an Adult Book Fair and that will help us introduce the Williamsport Storytellers Festival coming in 2025.

What else do you ask? **Raise the Region 2024** is gearing up! Watch for our posts on this exciting 30-hour event and "bump" times. Find us on the Raise the Region web page LYCOMING ARTS and our own website under "Donate - Raise the Region". January thru March we will host Lycoming College student interns.
