Bloomberg Connects Taber Museum launches new digital guide to enrich visits

In the fall of 2023, the Taber Museum launched a new, digital guide on Bloomberg Connects, the free arts and cultural app created by Bloomberg Philanthropies. The Bloomberg Connects app, available for download from Google Play or the App Store, makes the Taber Museum accessible for either onsite or offsite visits through photo, audio and video features offering insights into fine arts, Lycoming County history, the Shemp Model Train collection, and more!

The Museum joins more than 200 cultural institutions around the globe on the Bloomberg Connects app. The app platform is part of Bloomberg Philanthropies' longstanding commitment to supporting digital innovation in the arts. Bloomberg Connects makes it easy to access and engage with arts and culture from mobile devices when visiting in person, or anytime from anywhere.

With dynamic content exclusive to the Taber Museum, the app provides a range of features including video, audio, and text; expert commentary; and, way-finding maps. This provides a deeper, richer experience to our guests.

The Bloomberg Connects app is available for download from Google Play or the App Store,

Words from our President...

Who says Feb and March are boring? NOT US! We have been very busy...getting our March artists new show up for launch on the first Friday of March with a nice crowd and reception. A lot going on early in the month from our artists, Simon Ward & Leslie Landon to WCJO launching their new endeavor at Trachte Music Center for all things jazz to CAC Cinderella and Lycoming Arts own John Capo with August Osage County play at Clarke Chapel. Busy, busy, busy. We are gearing up for our Outdoor Lycoming Arts' presents Williamsport First Friday™...we have once again been fortunate in receiving an event sponsorship from UPMC! Watch our website, FB pages and newsletter for all the fun and exciting attractions that will be happening with us this summer!

In other news we have been working to add gallery pages to our website-check them out at www.lycomingarts.org. These will give you a taste of what you can expect at Lycoming Arts Galleries. Speaking of taste, we are working hard to enhance the Taste of Williamsport experience! Both from the consumer to the merchant there will be fun things and great tastes coming your way!

Other happenings you ask? Well we are currently setting up for these special events:

- Grown Up Book Fair: Friday, May 24: Lycoming College will be our hosts as we present our first ever Lycoming Arts Storyteller event. 6pm-10pm. Watch for more and ways to purchase tickets!
- Clay Making: Tuesdays beginning May 28th. Tween-Adult Workshop collaboration with Lycoming Arts , Rider Park & Bradford County-attendees will experience display of projects at our July FF in our gallery space!
