

## August 2024

### Featured Gallery Artist: Steve Brady

Hello, I'm Steve Brady, the eye and heart behind Brady Photography's lens, where each frame is not just captured, but co-created with the spirit of the wilds. My journey with photography began in the late 1970s, a gift from my father along with his old Minolta film camera. It sparked a love that has only deepened with time, a passion nurtured through 4-H programs, and honored at County and State fairs.

On Friday and Saturday nights you can hop around and try a "taste" of something new from participating restaurants who want to celebrate their unique cuisine. Cheers!

Words from our President...

Hey Everyone! We are quickly approaching one of our busiest months in Williamsport. Our August First Friday will once again be celebrating Kids First Friday. Lots of fun for kiddos and families alike! So many added attractions to our event, from the Kiwanis & Jr League in mural canyon to once again featuring the Replica Batmobile in Lamar Park, to the (3) bands featuring Dylan Zangwill ( America's Got Talent & more), this will be a month to get out & join us downtown!

Another feature of our Williamsport First Friday (™) is our growing Taste of Williamsport. Many local restaurants have offerings, from featured bites to small plates....this is a great way to experience Williamsport's culinary creations! Just look for the Taste of Williamsport logo on door or window & be sure to stop in!

Our Firefly Event in beginning of July was a resounding success...the groups touring RPA Nature Area really grew. Plans are in the works to accommodate bigger crowds, since we had a waiting list this year.

Keep an eye on our website ( www.lycomingarts.org) and our FB pages...there are LOTS of events in the works that you will not want to miss. As you can see, we are Here for the Arts!
